**RICHFILL**™

THE HIGHLY DURABLE FIBRE
MADE FROM RECYCLED PLASTIC BOTTLES

Made using recycled materials

Richfill is the next generation of fibre filling technology.
Comfortable, durable, tested to exacting standards.

- just sit back and relax!

Just feel the difference...

In Richfill™ Carpenter Ltd have produced one of the greenest products available in today's upholstery fillings market.

Made using 90% recycled plastic bottles.

Carpenter Ltd are committed to pushing the boundaries of conventional thinking when it comes to comfort cushioning.

An average cushion takes over 80 bottles from landfill.

Sitting comfortably whilst saving the planet - pure and simple.

Features and Benefits
