CARPENTER

# INTRODUCING SERENE® FOAM FOR THE FURNITURE INDUSTRY.

Serene® foam is enhanced with billions of microscopic air capsules which act to enhance the support properties while reducing pressure on sensitive areas of the body.

## QUALUX® AND QUALUX® ULTRA FOAM

The Symbols of Comfort Cushioning Quality for Nearly 40 Years.

- Family of consistent, high resiliency foams that meet your demands for longevity, comfort and support.
- Soft surface with fast recovery, providing proper body support in all seating applications.
- Available in densities from 1.8 to 3.1 PCF with a wide array of firmness options.
- All grades meet current Cal 117-2013 flammability standards.
- Produced without the use of CFCs.
- Total package of support, comfort, durability, resiliency and environmental stability in one foam family.
