

Podz™ mini FOAM SPRINGS

CARPENTER

Podz™ Mini Foam Springs are an innovative alternative to traditional metal coils. Available in most foam grades, these springs are expertly designed to offer enhanced support, long-term durability, and a luxurious feel. Podz™ Mini Foam Springs are also fully recyclable, leading to a more simplified disposal process at the end of the product's life.

For more information on Podz™ Mini Foam Springs, please contact your Carpenter account manager.
