Hero (hee-ro) noun, plural Heroes – a person who, in the opinion of others, has special achievements, abilities or personal qualities and is regarded as a role model.

Christelle Nicolas and Sebastien Laloue Trilport, France

Christelle and Sebastien are Carpenter Heroes. In October 2023, these two employees provided lifesaving first aid to a colleague experiencing a medical emergency. For 30 minutes, Christelle and Sebastien administered CPR while waiting for medical teams to arrive. We are both grateful for and proud of Christelle and Sebastien. Thank you both!

Paul Meats and Simon Marshall Glossop, UK

Paul Meats and Simon Marshall worked tirelessly to return the IT systems to working order at the Glossop location after an issue following a problematic server swap. Together they looked at each IP address that was affected and prioritized those that needed to be connected first. In the end, they worked their way through each PC and reconnected them so that they were working before the day was over. Paul and Simon's commitment to restoring the IT systems shows the pride they take in their work. Thank you, Paul and Simon!
